## HIGHLIGHTS

- Up to 19 SEER, 10 HSPF
- Remote controlled
- LED light display
- Auto-Restart for power outages
- Self diagnostic controls

### Louver Position Memory Function

Every time the unit turns on it will automatically move the louvers to the previous angled position.

### Independent Dehumidification

Different from the heating or cooling operation, the independent dehumidification mode efficiently removes humidity from your home.

### Sleep Mode

Night operation automatically increases cooling or decreases heating 1° C (1.8° F) per hour for the first two hours, then maintains temperature

## WARRANTIES
